One Retractor 2: 33"w x 14.5"d x 83.75"h 838.2mm(w) x 368.3mm(d) x 2127.25mm(h)	One Retractor 2: 31"w x 77.5"h plus 1/2" bleed at the top and 6" bleed at the bottom
Assembled unit: 97"w x 20"d x 83.75"h approx. 2463.8mm(w) x 508mm(d) x 2127.25mm(h)	Refer to related graphic template for more information
Assembled unit dimension may vary based on angle of stands	

| Shipping	
Shipping dimensions - ships in one box Each box: 40"l x 17"w x 7"h 1016mm(l) x 431.8mm(w) x 178mm(h)	
Approximate shipping weight: 35lbs/16kg	

additional information:

Graphic materials: 13 oz flatmaxx vinyl or oxford fabric	Stands are supplied with both clamp and adhesive rails, we recommend use of clamp rail with Quickwall system
Recomended spacing: 1.5" between graphics, slightly angled outer stands	

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications.
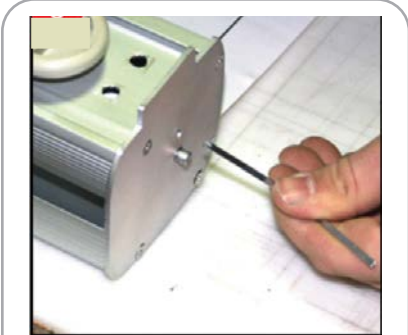

Quickwall Set-Up

Open the OCB and remove the three Retractor 2s from their bags   1

Remove pole from pole compartment in the base of each stand   2

Swivel the stabalizing feet all the way out to steady bases   3

Assemble three piece bungee poles   4

Secure poles in the base of each stand   5

Gently lean each unit back and pull the graphic up by the hook   6

Place hook in top of pole to secure graphics   7

Arrange stands so outer units are angled and graphic flows smoothly   8

Installing a Graphic

Use clamp rail - open graphic rail and insert graphic into slot   1

firmly press down on rail to close and secure graphic   2

Pull attached leader strip all the way out and push pin in side of base to secure - remove paper backing from the tape on the leader strip   3

Attach bottom of the back side of graphic to the tape on leader strip   4

Installing a Graphic Cont'd.

With a firm hold on the base and graphic, remove pin from base   5

Holding the rail, slowly retract graphic into the base   6
